

EDUCATION

Master of Education

August 2010 – December 2012

Texas State University, San Marcos, TX

Bachelor of Arts in History

September 2002 – August 2007

The University of Victoria, Victoria, BC

CERTIFICATION

DigitalCrafts, Atlanta, GA September 2018 – January 2019

- A 16 week full stack immersive program that covers topics including HTML, CSS, JavaScript, Node.js, Express, React, Redux, Python and PostgreSQL
- A 16 week full stack immersive program that covers topics including HTML, CSS, JavaScript, Node.js, Express, React, Redux, Python and PostgreSQL

PROJECTS

GeoMindr, geomindr.com November 2018

- A backend web app created with Node, PostgreSQL, Express, Javascript, CSS, and HTML that allows users to text a Twilio number using IFTTT to record a reminder and their coordinates. This reminder gets saved in a database to be accessible at a later time either via our web interface or by messaging the same number to get a list of reminders.

Parity, paritygame.club October 2018

- A memory game created with Javascript, CSS, and HTML where the user matches tiles based on pictures and sounds pulled randomly from two APIs (Free Sound and Unsplash Image) making every gaming experience unique.

EXPERIENCE

Academic Technology Coach

July 2016 – June 2018

Northside Independent School District

- Created and taught professional development to certified staff to refine their knowledge and skills before, after, and during the day
- Maintained a current knowledge of effective instructional and coaching pedagogies
- Identified technology integration competencies to support the professional growth of adult learners

Teacher: 4th and 5th grade

June 2012 – February 2013

Pflugerville Independent School District

- Performed essential classroom duties in a 4th and 5th-grade classroom
- Provided a strong community in the classroom that enabled students to participate and interact with their peers as well as the content
- Utilized diverse teaching strategies to effectively address each student's learning style and ability

Product Specialist Support

September 2007 – August 2012

Apple Inc.

- Assisted a number of companies (e.g. OfficeMax, Best Buy, etc.) with their support of Apple products
- Provided technical assistance via phone, email, and chat
- Demonstrated a strong degree of teamwork ethic by assisting in the coordination of weekly staff meetings
